Entry in 2018 Hastings Week Programme

We would like to include details of your event included in Hastings Week 2018 (in approx 50 words max). The entry will initially appear on the Hastings Week events web listing www.1066.net/hastings-week/events18.php and it is your responsibility to proof-read your online entry before it is carried through to the printed programme. HBC funding for the production / printing of the programme is not available this year and we do not wish to charge for the programme so a contribution from organisers towards the programme would be appreciated, particularly if you expect payment from those attending your event.
